TUESDAY September 15
We pray for control of our tongues, but maybe we should pray more for the ability to say **NOTHING** at times. Think about it!

WEDNESDAY September 16
Are the days beginning to cool off? Pray today that your witness for God will not change with the weather.

God is so good! There is no way to repay Him for all He's done for you. You can try. Nothing is too small to do for Him as it is done in His name. Pray that you will carry Him with you in all you do.

FRIDAY September 18

MONDAY September 21
Where has this year gone? Don't let it go away without telling someone you love them and are praying for them. Pray that you will do this before another year goes by. How about your Pastor? He needs to hear these words.

TUESDAY September 22
Do you enjoy growing plants? I do. It gives me a grand feeling to know that God works miracles with a piece of green that I put in the soil and given light and water? He works miracles with a plant, He works miracles with a human heart. Pray today for that one person who needs to have peace in his or her heart.
